Benefits

- No Visible Staples - reduces risk of injury whilst cleaning
- No exposed staples or folded material, means bacteria can no longer grow underneath
- The vacuum formed upholstery finish is made from strong recycled ABS material. Making it highly durable and long lasting
- Easier surface to clean and maintain
- 90° return prevents liquid
- Designs registered with the Intellectual Property Office 6038182, 6038183, 6038184 & 6038185
- Secured with super strong, flush-fitting poppers
