

Shower Trolley

Designed to provide transport to and from the showering area, the Shower Trolley features a foam padded PVC liner for added patient comfort, a linked wheel system with central locking and steering facility, as well as fold down side support rails for patient transfer. The trolley is available with a rechargeable battery option as an alternative to the hydraulic height operation.

Models

- ST7700** Hydraulic
- ST7800** Electric with Rechargeable Battery

Model ST7800 Electric model with rechargeable battery shown at mid height

Charger unit
